

What is Alive at 25?

Classes are now being offered: \$45.00

Alive at 25 is a highly interactive four-hour survival course for drivers age 14 – 24. The National Safety Council reports that students who complete Alive at 25 are 96% less likely to be killed in a car crash than youths who have not taken the course. Alive at 25 is taught by Law Enforcement. Alive at 25 teaches young adults that:

- The #1 cause of death for people 14 – 24 is vehicle crashes! Let's educate them so they know how to avoid the dangers of driving or riding in an automobile.
- People in their age group are more likely to be hurt or killed in a crash than any other age group.
- Inexperience, distractions, and peer pressure cause unique driving hazards.
